STAT

TRANSMITTAL SLIP		
8 February 1956 (Date)		
TO: OGC - 1707 J 		
BUILDING	ROOM NO.	
REMARKS: <p>Harry: The proposal to which your cover sheet comments were addressed has been revised to arrange for procurement of the facility as office buildings with incidental use for living quarters and appropriate charge to the occupant. We find this legally acceptable and in the best interests of the Government. Consequently, I have withdrawn the cover sheet with your comments as no longer being applicable.</p>
